

General Rules (Any rule violation results in a suspension of borrowing privileges)

1. The two B210 USRP radios must always be available (shall remain) in the DLC-1B20 lab area
2. A radio must be checked-out in borrower's name before removing from lab area
3. A radio, or a pair of radios, may not be checked out for more than two days in a row
4. All USRP radios *MUST* be returned to the proper location in the locked storage cabinet
